For the attention of Mr Patrick Marfleet,

Dear Sirs,

Your ref: 2016/2932

67 Mill Lane, NW6

There has been a delay in the matter of issuing the signed form relinquishing parking privileges, a condition precedent to the granting of planning permission for the studio flat.

Our client believes that this would prevent the tenant of the shop from exercising any parking rights he may have and he is unable to change these privileges, enshrined in the lease.

In addition, our client now queries whether in fact a planning application was necessary ab initio since the rear rooms were used as a flat and the extension may have been permitted development.

We appreciate your comments.

Yours Sincerely,

Ronald J. Rabson
