Dear Seonaid

RE: Curtain Walling Sample – Condition 11g

Installed on site for your approval is the curtain walling system as specified for the Pavilion West elevations, and to the extent as agreed prior to mock-up installation.

The system is Reynaers CW 50, powder coated to RAL 1035 matt, with double glazing, referred to ED-51 in the window schedule.

The intent of this sample is to show the overall proportions, as well as the colour of the frame and glazing.

Curtain walling ED-51, elevation and detail: Doors with fixed glazed side- and over-panel; side panel

Close-up: Over-/ side-panel/ door

Close-up: Door frame

Detail: Door frame

Your sincerely,

Brigitte Rothfuss
D & B Manager
