Wait and load collection service will be in operation in place of a skip in the parking bays on Bury Place

Traffic marshals will be used to manage pedestrian / cyclist movement to ensure their safety in relation to site related traffic

Cycles route will not be diverted. Traffic marshals will be assisting with the movement of material to and from the site

Scaffold hoarded at ground floor to allow the pavement to be used by pedestrians throughout the works

Nearest Bus Stops more than 30 metres away from site access zone
