2017/3194/P	Hampstead CAAC	c/o Flat 6 4 Ferncroft Avenue NW3 7PH	18/07/2017 23:20:32	COMMNT	Given the constraints of the elevation necessitating piers between glazing panes HCAAC has No Objection to these proposals. We note that a softening of banks' often strident corporate identity design in shopfronts, trying to reinstate traditional front, would be welcome, perhaps some division of the large panes.
