2017/3498/P	Meta Zimmeck	33 Queen Alexandra Mansions Judd Street London WC1H 9DQ	18/07/2017 14:14:03	COMMEM PER	Not in favour of replacing this kiosk or indeed in having this kiosk on the street at all. There is little space on the pavement due to vastly increased amounts of pedestrian traffic, and the kiosk creates a bottleneck. Merchandise is not particulalry useful and, it would seem, not what is advertised in this application. It seems to be mainly providing mobile phone services.
