2017/3682/P	agnes	iverson road nw6 2qt	19/07/2017 11:27:40	OBJ	Although generally in favour of this development, I object to it on the basis that no bin storage facility is planned. The area suffers badly from poor waste disposal and a development of this size should accommodate bin storage areas so that bags do not end up on pavements. Additionally there is no plan for the Kilburn High Road facades updates which are badly needed are per the pictures.
