2017/4037/T	Margaret Harvey	95 Camden Mews London NW1 9BU	21/07/2017 15:36:09	OBJEMAIL	I am a near neighbour in Camden Mews. I wish to object to all these trees being felled and ask that you keep the elder tree at the very back and the laurel tree on the SE wall. These are a haven for bird life which will suffer greatly if all the trees are felled. They are healthy trees but have not been pruned for many years. Felling the elder tree at the back will also cause us at 93 A and 95 Camden Mews loss of privacy.
