**ref 2017/4036//P S96A NON-MATERIAL AMENDMENT APPLICATION**

Dear Mr. McClue,

This application aims to reduce hall space in a tower designed with only one stairwell. Isnt this asking for trouble?

For Camden's sake, do take proper professional advice and consult the London Fire Brigade. Without so doing, how can you possibly accept it?

I notice other undesirable changes to the proposed development. However the above is the most urgent, without question.

Faithfully,

Karin Fernald
