Subject: 100 Avenue Road, Swiss Cottage: APPLICATION REF: 2017/4036/P S96A NON-MATERIAL AMENDMENT APPLICATION

Dear Mr McClue,

I have become aware that this amendment seems to contain significant, material changes that differ from the spirit of the original application that was granted permission, namely reductions in hallway space (worrying for a tower with only a single stairwell for evacuation in case of fire), changes to entrance doors, glazing, balcony positioning, rooftop maintenance unit.

I do not see how any these changes constitute an improvement, as the developer claims. Please consider rejecting these changes.

Yours sincerely,
