Subject: Application Ref: 2017/4036/P S96A

Dear Mr McClue,

I would like to object to this application:

100 AVENUE ROAD, SWISS COTTAGE, NW3 3HF

APPLICATION REF: [2017/4036/P](#) S96A NON-MATERIAL AMENDMENT APPLICATION

Considering the Grenfell Tower fire, the changes to the internal floor-plans seem to use excess hallways to increase unit size. This results in a dangerous reduction in hallway space, particularly within the tower.

My understanding is that the London Fire Brigade has not been consulted on this change.

I
n a tower designed with only one stairwell, reducing the hall space still further increases the problems of an evacuation. This is a material change.

Surely we have to learn from the mistakes in the Grenfell Tower design.

Many thanks,

David Percy
