Hello Kate,

I did submit this on the Camden website a couple of weeks ago, but I cannot see it hence sending to you – are you able to submit for me please. And Anthony would like to speak at the meeting on the 10th August.

Thank you,
Ann

Hi Kate,

I have just seen there is a new date of 10th August for the above application and I have also seen some new drawings. And we would like the committee to be made aware of our following objections:

Our garden wall will be lowered from its present height of 2.8 metres high to only 1.8 metres high.

We do not wish our wall to be lowered. This is a party wall and we do not give our permission. There have been break-in's in the past from the rear and it is making us very nervous and uncomfortable that this may happen again. We are oap's and therefore need to feel secure and safe in our home.

The existing wall is what the properties were designed with originally for security purposes.

We will not have any privacy to sit out in our garden if this goes ahead.

Would you please put this in the objections on the Camden planning website.
