<i>My enquiry is</i>	Email to the Tree Preservation Team. I wish to know if it is possible to save 5 healthy trees on a private property in a conservation area. The planning application relates to 244 Camden Road NW1 9HE application number 2017/4037/T. The applicant has given no reason why these 5 trees are to be felled. The trees meet two of the Council's three criteria for preservation. These trees provide a haven for birds, absorb noise and pollution from Camden Road and privacy for those of us who are immediate neighbours. I would appreciate you looking in to this for us, please. The consultation period finishes on the 9th August. Thank you.
