Dear Chee- Kit,

## **32 Ferncroft Avenue**

Further to our conversation, I can confirm that Price & Myers have worked on 32 Ferncroft Avenue basement extension, from the initial Basement Impact Assessment submitted in July 2015 and will take the project through to completion for the permanent work design. Price & Myers do not have a permanent site presence however regular site visits are made.

Please find the company and design team CV's enclosed.

Yours sincerely,
