2017/0001/P	Eileen Easton	18 Chislet 67 Marsden street London NW5 3JB	31/07/2017 16:02:55	COMMNT	I am greatly disturbed about the appearance of a notice concerning this planning application. I live directly behind the back wall of this building and the proposed partial demolition and subsequent building of a new extension is bound to impact on my life for some time, with noise and dirt right in front of my flat. Also I have no idea what the proposed extension will be used for. At the very least it will cut out a lot of light from what is already a dark flat. I am very upset at this prospect and object strongly to this proposal.
