2017/3505/P	Gordon Roberts	250 Euston Road London NW1 2PQ	28/07/2017 10:07:29	OBJ	I represent Dron & Wright, we are managing agents acting for UCLH NHS TRUST (The occupiers and Leasholder for 250 Euston Road) and we would like to object strongly to the installation of a telephone box outside our Clients' building as this will 1) attract advertising media for sex workers 2) add to the general street clutter that is building up in the local area 3) will obstruct and impede pedestrian access to the building from the already crowded pavements 4) all phone boxes tend to attract vandals and other criminal elements 5) phone boxes also tend to attract drug /alcohol abusers and rough sleepers 6) most London phone boxes end up being used as an ad hoc public toilet which is both extremely unpleasant and a health concern. There are many other telephone boxes in the local area and we would strongly object to this proposal as the box is neither needed or wanted by the occupants or local businesses.
