<i>My enquiry is</i>	<p>Planning of converting 10-12 Kentish Town Road to a hotel.</p> <p>http://camdocs.camden.gov.uk/HPRMWebDrawer/PlanRec?q=recContainer:2017/2852/P</p> <p>After reading of this in the Camden New Journal (http://camdennewjournal.com/article/hotel-planned-for-former-mango-room-restaurant) I was astonished as I had not received any consultation or notification letters from the council about this matter.</p> <p>I have read through the assessments on light, etc., and although informative, it does not take into consideration that all the residents of Barnes House will lose a sizeable chunk of their visible skyline - I personally will lose about 2/3 of my view from the balcony across Kentish Town Road as the 1 and 2 storey addition rises to meet existing heights on the southern end of the site.</p>
