2017/3743/P	Barrie Tankel	43a Lancaster Grove London NW3 4HB	01/08/2017 11:47:21	OBJ	<p>I represent the Belsize Residents Association. We object to this application on the following grounds.</p> <p>1 The ridge line of the roof is raised by circa 300mm. This increase will cause the roof to appear as an unduly prominent addition detracting from the appearance of the street contrary to Camden Policies. It will also impact on sunlight.</p> <p>2 Dormer windows (3No) have been added to the rear roof. These would enable significant overlooking to other properties. In order to overcome this problem the windows would require obscured glass and a restriction that windows must be fixed shut.</p> <p>Barrie Tankel FRICS On behalf of Belsize Residents Association</p>
2017/3743/P	Andrew Aldridge	Flat 3 17 Belsize Crescent	01/08/2017 18:35:23	COMNOT	<p>We seek to object to the rear mansard extension, as this is not in keeping with the adjoining buildings, which have adopted Velux windows and thereby avoid overlooking neighbouring houses.</p>
