Subject: Planning application REF 2017/3702/P

To Douglas/ Maryam/ Meric/ Richard/ Mark,

I am writing you to inform you that I, Gordon Dagleish of 28 Birchington Road (1st Floor Flat) object to the above mentioned planning application. I think ever since Villa Ronel moved to the street it has gone considerably downhill. The street itself is often disgusting with rubbish, filled with noisy and unpleasant customers, and parking in the street has for me become more of an issue. I simply don't want Villa Ronel to be able to use the external area for dining purposes for their customers.

Kind regards,

Gordon Dalglish
