### 3. Description of the Proposal

Please describe the proposed development including any change of use:

The works proposed within this application are minor, particularly in the context of the wider refurbishment works that have happened at the site. The proposed plant, and its arrangement, has been designed to the specific requirements of the incoming tenant of the first floor office. The existing arrangement does not, in its current form, meet the operational requirements of the incoming tenant. This application represents the individual requirements of the new tenant for the first floor only. This application proposes 3no. AC condensers and associated DX pipework, sited behind the single story structure on the southern elevation of the first floor terrace.

Has the building, work or change of use already started?  Yes  No
