Subject: Eileen Willmott and Dartmouth Park tree applications 4/0817

Dear Planners and tree officers,

List 433
2017/3830/T (29 Boscastle Rd); no objection

List 434
2017/3979/T (65 Dart Pk Rd); no objection

List 435
2017/4017/T (8 Twisden Road)

I looked at his tree last night.

Mr Wray, and his neighbours at No 10, fear that the tree may come down in a storm and cause damage to their respective houses. Also he mentions the loss of light.

I pointed out that a TPO could be served on the tree, rather than fell it. He said he would replace it with a slower-growing tree.

I do appreciate that the residents at the rear of Denyer House prefer to look at some greenery.

Many thanks,
Eileen

PS Great to see Tom Little back!
