2017/3985/P	Sharon Reardon	Flat 8 141-153 Drummond Street London NW1 2PB	07/08/2017 19:18:08	OBJ	I wish to register an objection to the application for a change of use at 134 Drummond Street from shp to restaurant for the ground floor and basement. West Euston is already very well served for restaurants. Several shops in West Euston have been converted to restaurants/cafes in the past few years. Specifically, the ground floor at 126-130 Drummond Street was previously a sweets shop and is now a restaurant, part of the floor space previously occupied by Costcutter at 141-153 Drummond Street has been converted to a cafe and the convenience store at 191B North Gower Street has been replaced by a restaurant. The council should be taking firm steps to retain the remaining retail space in the area.
2017/3985/P	Jay Singh	141-153 Drummond Street	08/08/2017 09:02:28	OBJ	I would like to object to this planning application. There are a large number of restaurants already on Drummond street and this application results in eroding of retail facilities for the local community. The increased noise / smell of cooking will be detrimental to the area and to the residents who live in / around Drummond Street. Parking is already at a premium and the increased foot fall will result in the area becoming more crowded / congested that it already is.
