2017/4155/P	Mr Craig Duncan	74 Durdans House Royal College Street NW1 9RD NW1 9RD	04/08/2017 12:14:23	OBJEMAIL	<p>This has been an unsightly and uncaring development (certainly for neighbouring businesses and the community!) that is seeming to continually drag on!</p> <p>I would oppose any extension to this as we are being beset by developers wanting to expand our skyline for their own profit (take the still expanding monstrosity by the canal as an example!)</p> <p>Apart from the detrimental effect on local businesses and community, is this "extended" plan to produce new flats taking note of the affordable housing rules?</p>
