Dear Evelyn,

Apologies for a late reply but I was away on holiday with very limited access to internet and have just returned.

Thank you for alerting me to the changes which are welcome. However, I would like to reiterate that a Planning Application in a Conservation Area needs to provide photographic evidence of the property surroundings. In this particular case, this would apply not only to the main Mews elevation, but also the rear elevation overlooking Belsize Crescent. This is still missing.

On addition, I note that the proximity of the existing and new windows on the rear of the property - they impact on the privacy of the residents in Belsize Crescent and would need to be fitted with obscure glazing and unable to open in order to reduce the their impact.

On behalf of Belsize Residents Association I would like to register an Objection to the proposal on the above listed grounds.

Kind regards

Sanya Polescuk
