2017/4155/P	Miss Carolyn Chapman	16 Bartholomew Road NW5 2LL NW5 2LL	10/08/2017 21:54:35	SUPC	I support this application. London desperately need more flats and this is adding 3. I would however question the materials used for this extra floor and whether it is in line with the design and colours of the other floors.
