Dear Sir/Madam

Re: Proposed Works to Flat 1, 27 Aberdere Gardens, London NW6 3AJ.

I can confirm that Green Structural Engineering Ltd has been appointed to inspect the critical elements of both permanent and temporary basement construction works to ensure compliance with the design (which has been checked and approved by a building control body) for this project.

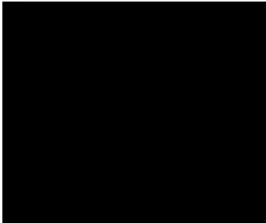

The engineers assigned to supervise these works will be:

1. Paul Bennett, CEng, MICE;
2. Julija Sokolenko, MSc, CEng, MIStructE.

Both chartered engineers work for Green Structural Engineering Limited which is a member of the Association for Consultancy and Engineering (ACE), Membership No. 64482.

If you require any further information, please do not hesitate to contact me.

Yours sincerely

Geoffrey Green
Director
