Dear Gerry,

On behalf of our client Mr. Nicos Ladas of the above address, we would like to request a 5-day exception for part-fallen Willow + remaining stem to fell(see photos attached).

From the photos you can see evidence of brown heartwood rot at the crown break union; the client is concerned that remaining stump has been weakened and is vulnerable to fail, having become unbalanced, particularly in the current blustery and wet conditions, so much so he will not let his grand-children play in the garden.

We look forward to hearing form you soon.

Many thanks,

Pip
