Notes:

The Survey has been computed on an arbitrary grid. All Levels are in metres and relate to an arbitrary site datum.

All direction arrows indicate DOWN unless otherwise stated.

Drainage pipe sizes (where shown) have been gauged from the surface (for safety reasons) and should be regarded as approximate only.

Visible features in the vicinity of any boundaries, as shown on this survey, may not represent the extent of legally conveyed ownership.

Whilst every effort has been made to determine wall materials, no guarantee is given. Materials should be regarded as assumed unless verified by a qualified third party.

Colour Key:

Blue Zone - Permanent secure pedestrian access to the station - at all times 2.5m wide.

Red Zone - Emergency parking for network rail works vehicle.
