2017/4155/P	Frederic Chiles	27 Patshull Rd London NW5 2JX	11/08/2017 11:14:04	COMMEM PER	I OBJECT to this extension of the existing plan which has pushed the good will and understanding of the neighbourhood and Council planners to the limit. This is yet the latest step in the vandalism of this site, another attempt to flout the rules and maximise profitability on behalf of the developers. It should not go ahead.
