2017/3742/P	Evelyn Smith	27A Grove Terrace Dartmouth Park London NW51PL	11/08/2017 18:39:55	COMMNT	Now that the configuration of the windows on the front elevation has been changed to a single from a double dormer application then we have no objection to this work.
2017/3742/P	Peter Bourdillon	13 Grove Terrace	16/08/2017 14:58:21	NOBJ	No objection
2017/3742/P	Sarah Alexander	22 Grove Terrace NW5 1PL NW5 1PL	15/08/2017 13:45:03	COMMNT	I support this application -- the surrounding houses have mansard roofs and it doesn't seem to make much sense that No 19 should not as long as the design is in keeping with the rest of the houses. The attached drawing seems to show that it is.
2017/3742/P	Michael Crabtree	17 Grove Terrace	11/08/2017 22:12:16	COMMNT	We live two doors from the applicant and I have no objections to this application
