2017/4178/P	Debbie Radcliffe for Bloomsbury CAAC	c/o Hugh Cullum Architects 61B Judd Street London WC1H 9QT	16/08/2017 19:33:45	OBJ	The Advisory Committee strongly objects to the proposed replacement of 12 existing windows to uPVC windows with double glazing which is detrimental to the character and appearance of nearby properties, in particular the Listed Building of 191-199 Tottenham Court Road, which lies immediately opposite the application site. It will thus cause harm to the Bloomsbury Conservation Area, contrary to policy CS14 of the Camden Core Strategy and policies DP24 (Securing high quality design) and DP25 (conserving Camden's heritage) of Camden's Development Policies.
