Planning Application 2017/4155/P
141-145 Kentish Town Road NW1 8PB

Dear Hugh Miller,

As a neighbour who will be overlooked by the planned extension of this property, I am writing to object to the plans. First of all the extension is out of keeping with the Edwardian structure of the building, and looks odd and misshapen. Second, three flats are absolutely crammed in to the space. For one flat – Flat 2 there appears to be no windows – even high level ones.

I urge the planning services to look closely at what is proposed and reject this proposal. The developer needs to re-think his plans more carefully.

Yours sincerely,

Brenda Gardner.
