1 Modern timber floor installed after underpinning of whole property in 1993. Modern light fittings and ceiling soffit. Wainscoting from 1938 refurbishment.

2 Contemporary kitchen joinery and fittings, post 1993 renovation.

3 Late 20th-century timber radiator covers and radiators in window recess. Original shutters and shutter boxes survive.

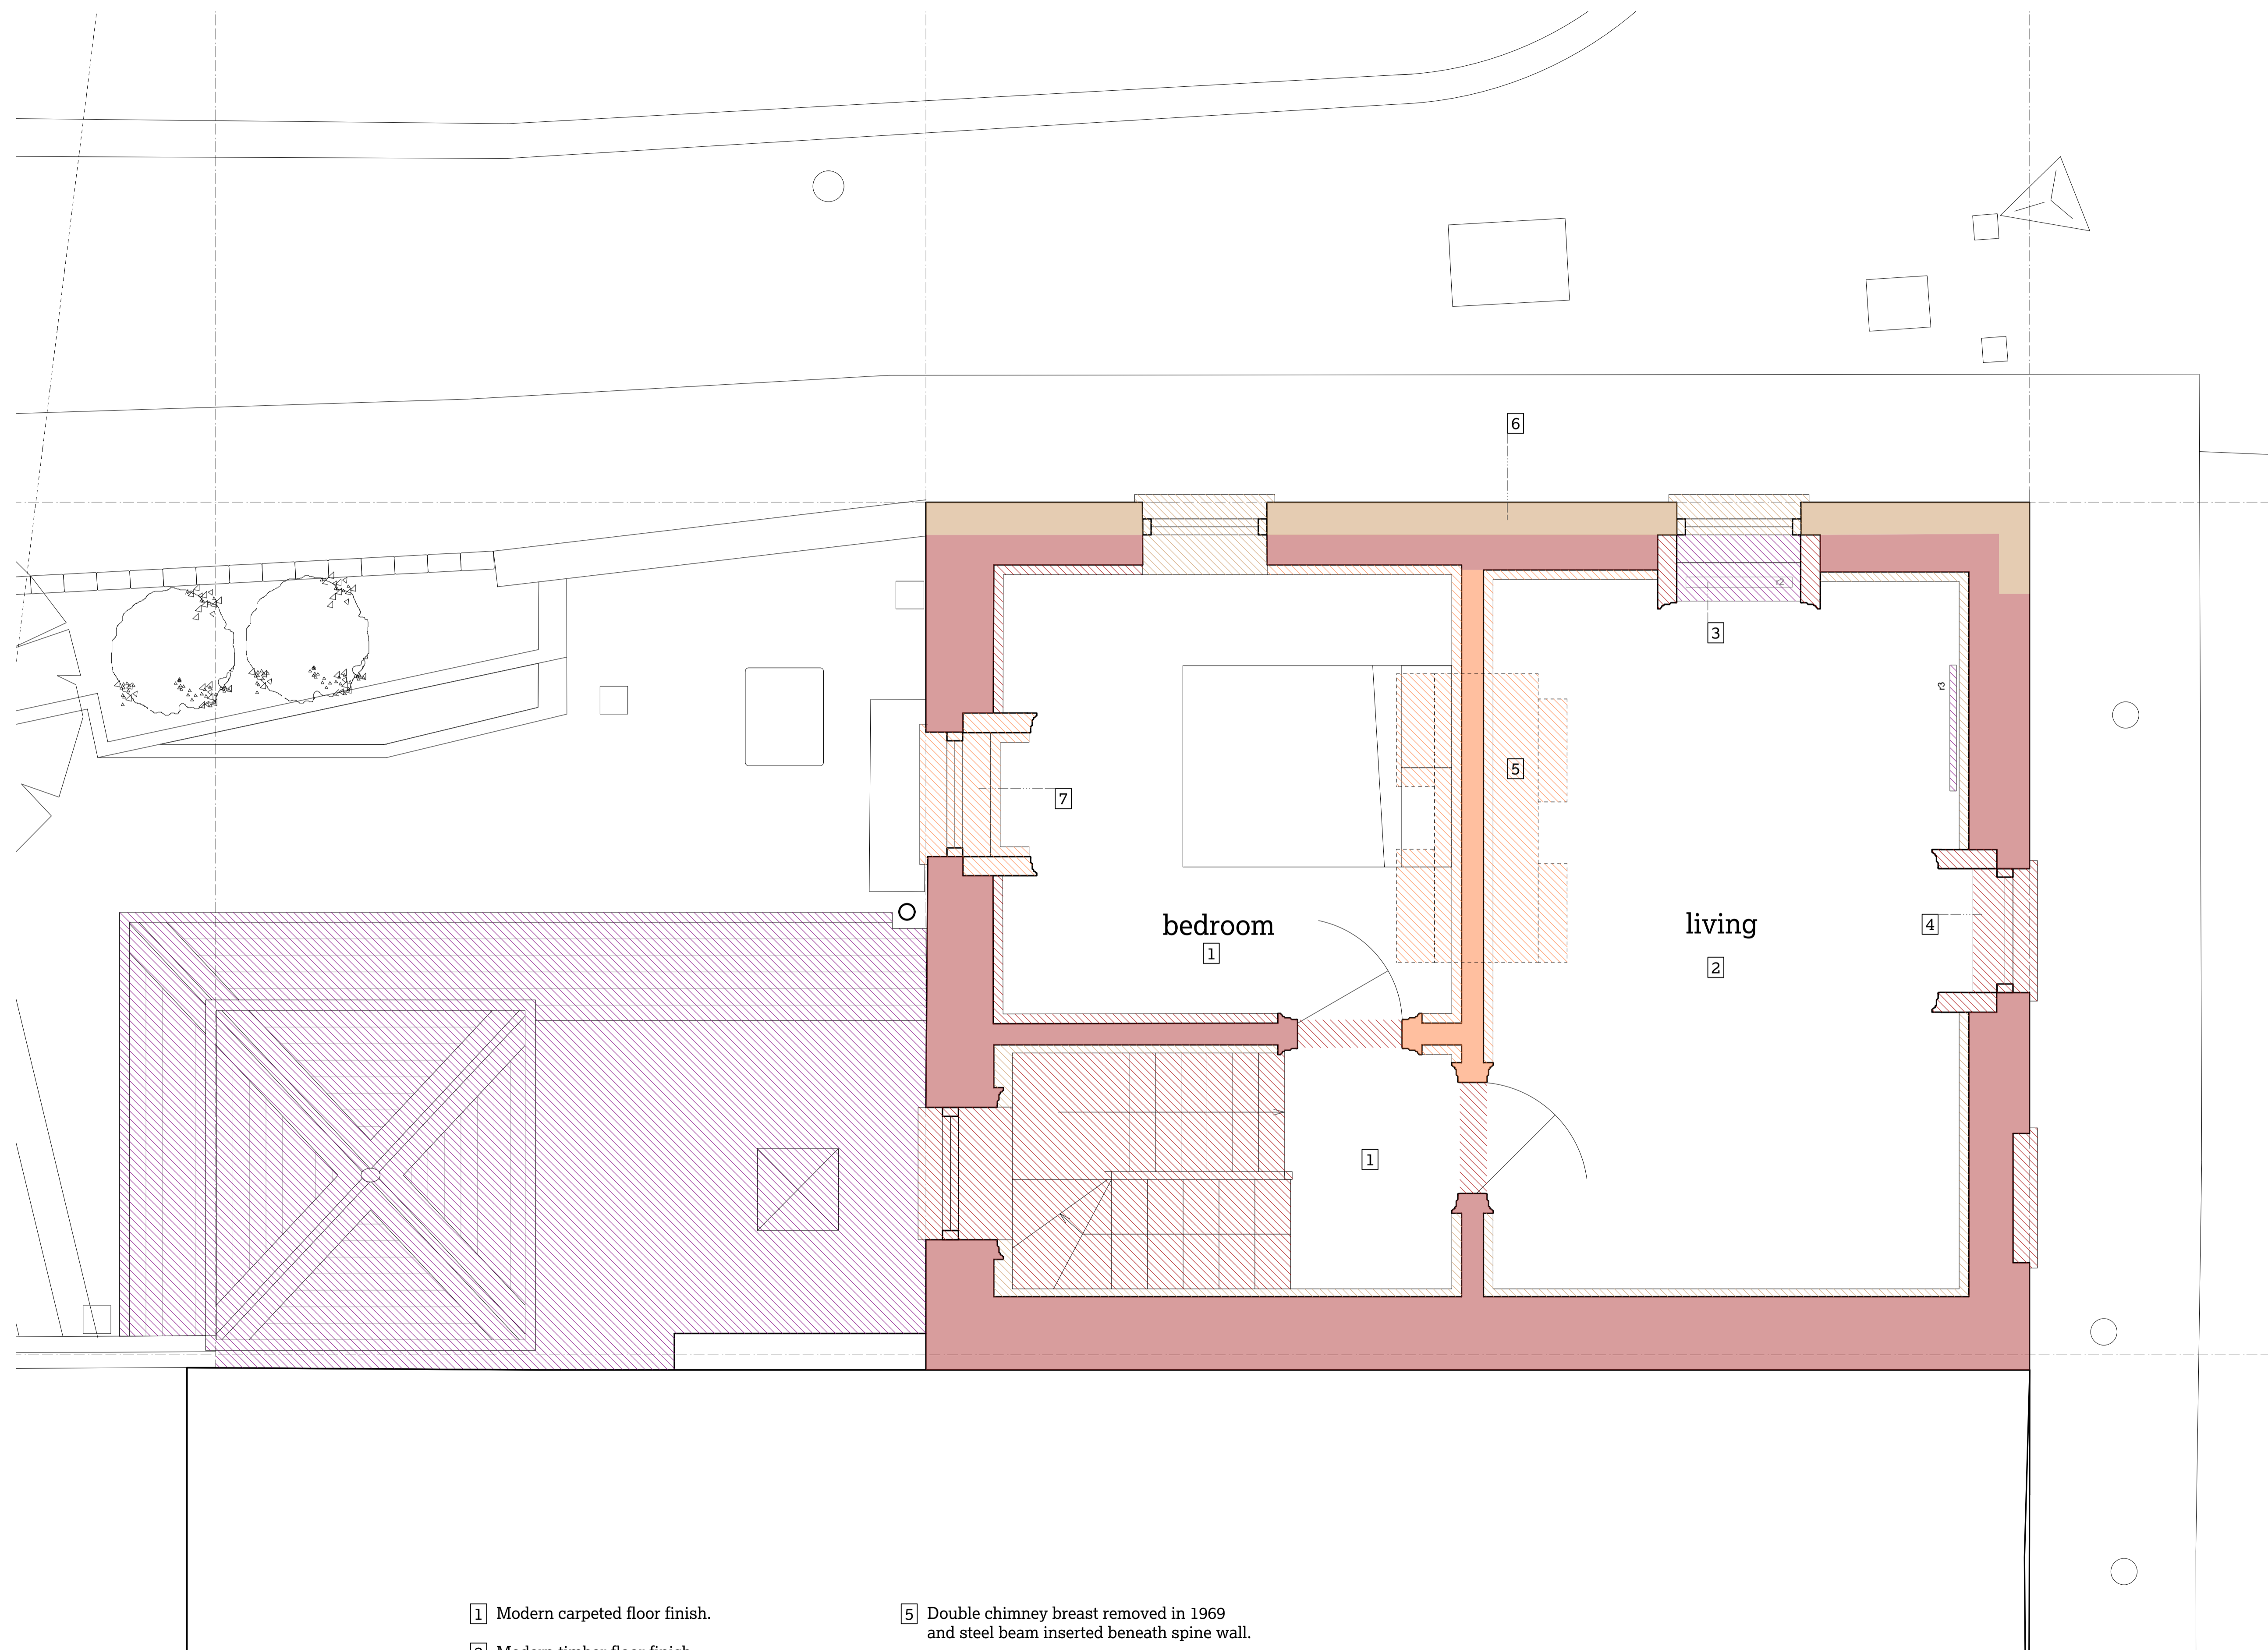

4 Original shutters survive, all other original internal window details lost.

5 Double chimney breast removed in 1969 and steel beam inserted beneath spine wall.

6 Side wall partially rebuilt in early 20th-century due to WWII bomb damage.
