2017/2954/P	Vesna Eringer	91 Redington Road Hampstead London NW3 7RR	22/08/2017 17:15:21	OBJ	We object to the proposed plans to dismantle the dorm windows on the second floor and create a terrance as it would expose our side bedroom windows and we would lose our privacy. Also it would mean we would lose privacy in our garden. There is a tree there which should there be plans to remove we would object as this would also affect our privacy.
