| 2017/2971/P | Vesna Eringer | 91 Redington Road Hampstead London NW3 7RR | 22/08/2017 17:33:05 | OBJ | We object to the proposed plans as they will directly affect the privacy of our property. Bringing the balcony forward would mean our side window, patio and garden would be overlooked and therefore we would lose privacy. Also there is a tree that might be compromised with the extension. This tree provides our garden with considerable privacy. Should there be plans to remove or cut short this tree we should object. |
