2017/3651/P	ARD German TV and Radio	1-5 Midford Place	23/08/2017 15:28:22	OBJ	ARD German TV and Radio has a big interest that this constuction work is not affecting our business. For producing live TV and Radio we need as much of silence as possible. As well the business path in front of our buliding is of high importance for us due to breaking news situation for our ENG Van or Camera kit.
