2017/4326/P	Director 59 Achilles Road (freehold) limited.	59 Achilles road	23/08/2017 20:00:00	OBJ	Given 2017/1633/P was refused for a smaller development, it is unthinkable that this plan be allowed to go ahead. It will invade on the privacy of the residents in 59 Achilles road - specifically the garden and terrace areas of flats one and two. Secondly the potential structural threat to surrounding buildings is great. Lastly the street is already crowded and there will be a further constraint on parking. Ultimately design will not be in the spirit of Achilles road terraced houses / conversions and will devalue the surrounding property.
