2017/4341/P	Ruth Rose	4 Rosecroft Avenue London NW3 7QB	23/08/2017 16:30:26	OBJ	I object to the side gate item of this application as I believe too much of the original character of Croftway has already been lost, including by the amount of foliage which has been removed by this property, and another private gate will continue its transformation into just another accessway.
