2017/4654/P	Hampstead CAAC	c/o Flat 6 4 Ferncroft Avenue NW3 7PH	23/08/2017 19:13:22	OBJ	HCAAC is disappointed to find that this property had consent for a private house from a former hostel. The statement that the proposed extension meets housing need is a canard. Housing need should have been met by insistence on a development of flats rather than a single house.HCAAC objects to the proposed proliferation of rooflights on the front roofs causing harm to the CA by light pollution in a clearly active bats area.
