
Conservation Area Advisory Committee

Advisory Committee	Belsize
Application ref	2017/3551/P
Address	Andover House 9A Eton Avenue London NW3 3EL
Planning Officer	Alyce Keen
Comments by	06 Sep 2017
Proposal	Replacement of all existing timber windows with anodised aluminium windows on front and rear elevation.
Objection	Yes
Observations	<p>Object</p> <p>We object to the use of window frames made of anodised aluminium. In order to form a view of the proposed scheme as a whole, it is not sufficient just to show a construction detail of the proposed frame. Nor is it acceptable to show the same elevation drawings twice, one labelled existing and the other proposed!</p> <p>We do not object to the use of double glazing. Aesthetically, white painted wood is a more appropriate material for the frames in the context of this building and its neighbours.</p> <p>Bea Wober, on behalf of Belsize CAAC</p>
