Subject: PLANNING APPLICATION 2017/4012/P

Dear Sir or Madam,

My name is David Simon Geey. I am a leaseholder of Flat C, 10 Buckland Crescent.

I object to the Application identified by the reference 2017/4012/P

I first became aware of its existence today.

I endorse and repeat the matters set out in the correspondence to you by Renaud Barbier- Emery dated 29 August 2017.

I reiterate here the matters he raised in his email. It is therefore unnecessary for me to set out seriatim, each of the issues regarding notice, service, the misleading details in the Application, and the breach of the terms of the Lease, that the proposed works, would create.

It should be considered that they all form the basis of my objection. Please note also, that this is the first opportunity I have been given to bring these matters to your attention.

Yours Sincerely

David Geey

As a leaseholder Flat C, 10 Buckland Crescent.
