Petition in favour of extending the opening hour of Delicatessen by 45 minutes

Delicatessen is a Kosher fine dining restaurant offering modern middle eastern cuisine located in Fairfax Road, NW6 4EL. The restaurant employs chefs of the highest standards that create visually impressive and mouth-watering gourmet dishes. The restaurant is aiming to be the first Kosher restaurant to be awarded a Michelin star.

Our target market for Delicatessen is clientele with a refined palate who appreciate high end cuisine. The 30 cover restaurant has also been designed with decor and accessories that have been handpicked by the architect and interior designers to create a welcoming space for those with a discerning eye for luxury and quality.

Following Delicatessen's successful launch in June, the restaurant has received great reviews about the

The restaurant has endeavoured to abide by the restricted opening hours but it is sometimes an impossible task asking customers to leave the premises by 9pm. And as a consequence, when some patrons leave the

premises after 9pm, some complaints have been made to Camden Council.

We are therefore seeking support of our patrons and the local community to sign this petition to show your support for the Delicatessen.

We will be shortly submitting a planning application to Camden Council's seeking an extension of hours from 9pm to 9:45pm, whilst keeping the restriction of the kitchen to stop cooking at 9pm. That said, all other restaurants in Fairfax Road have much later closing hour restrictions.

One who appreciates fine dining, can understand that restaurants like Delicatessen will not be sustainable with a closing time of 9pm, as the majority of our clientele are professionals and or parents who cannot begin dinner before 7:30pm, thus creating immense loss of business.

It is important to stress that our patrons leave the establishment quietly and not all at the same time.

In order for us to passionately continue serving the community with a desire for excellence, please stand by us by demonstrating your support in our planning application to Camden Council to extend the opening hours until 9:45pm and sign this petition.
