Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Request for Observations to Adjoining Borough - No objection

Address:
1 & 2-5 Benjamin Street & 94-98 Turnmill Street
London
EC1

Proposal:

Request for observations from the London Borough of Islington for the erection of two advertisements, (16m wide x 4m high; and 4m wide x 4m high) on a scaffold shroud with a 1:1 image of the development, for a temporary period until September 2018.

Drawing Nos: Letter form Islington dated 1st August 2017.

The Council, as a neighbouring planning authority, has considered your request for observations on the application referred to above and hereby raises no objection.

Informative(s):

1 Reason for no objection:

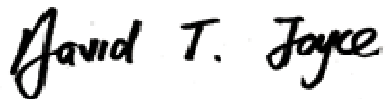

The advert includes a display which replicates a design of the building displayed on a shroud and scaffolding during construction works for a year. It would be over 100 metres away from the nearest part of the boundary with Camden which is to

the west of Farringdon Road, and cannot be readily seen from Camden due to the distance from its boundary and screening by Farringdon station and other buildings.

No significant amenity or public safety implications for Camden are considered. Therefore, the application should be determined in accordance with Islington's policies.

Yours faithfully
