Hi Mary,

Apologies for the delay in getting back to you.

Yes I can confirm Hartwig Care will remain at Ella Mews and continue to provide care worker induction training on site from existing office accommodation upstairs;
The duration of our occupation at Ella Mews is 5 years.
The reason for vacating the space at ground floor level was because the lease on these premises expired and the space was too much for us.

Please do not hesitate to contact me if you have any further queries.

Kind Regards

Trish Jackson
