2) Multiple site notices were erected around the application site on the 25/07/2017 (consultation period expiring 15/08/2017). Press notices were also published on the 27/07/2017 (consultation period expiring 17/08/2017). Requests for observations was sent to the National Amenity Societies on the 21/07/2017.

Consultations:

No. of responses	1	No. of objections	0
		No of comments	1
		No of support	0

Summary of representations:

One response was received from a member of the public. Their comments were not in relation to the proposed cabinet but were instead in relation to lettering which has been applied to the host building in a separate location.

Officer's response:

The comments submitted were not in relation to the hereby proposed development. These alleged works would not form a material consideration for the determination of these applications.

Notwithstanding this, the comments have been raised with the Council's conservation as well as enforcement teams and a formal investigation into the alleged unpermitted addition has commenced. The complainant will be kept updated as to the progress of this investigation.

Recommendation:-

- 1) Grant planning permission
- 2) Grant listed building consent
