Dear [REDACTED]

Breach of Planning Control

Details of complaint

Erection of unauthorised gates piers and gates on front boundary of the property

Location of complaint

Flat 1, April House, 45 Maresfield Gardens, London, NW3 5TE

We have recently been in contact with you about the above complaint. We will not take any further action on the complaint because Enforcement Notice served on 8th June 2016 has now been complied with.

The photograph submitted to the Council dated 31st August 2017, clearly shows that the two central gate piers and gates from the front boundary of the property have been removed, along with the resultant debris from the site.

Therefore, the Council considers that the Enforcement Notice has been complied with at time of writing.

Thank you for your help with this matter.

Yours sincerely,

[REDACTED]
