11<sup>th</sup> September 2017

Dear Jonathan

**Re: The Greenwood Centre Greenwood Place & Highgate Day Centre, London NW5. Ref: 2013/5947/P amended by 2015/3151/P & 2017/0518/P**

Please find enclosed documentation in support of the discharge of the following planning condition for the above referenced scheme.

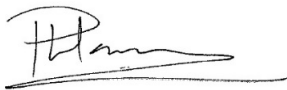

**Condition 4: Brickwork Panel**

The Brickwork panel is now on site ready for your inspection. The brick is Wienerberger Marziale with Tarmac Y101 White OPC mortar formed using Bucket Handle joints.

We attach a photo of the panel as well as technical data on the bricks and mortar for your information. The panel is located behind a section of our traffic barriers between the A&A Storage building and site and easily accessible any time you wish to view. Please contact Matt Davis at Kier (tel: 07970 654983) if you have any queries with regard to the viewing.

As previously discussed, we are only applying for the Greenwood Community Centre Site at this point in time. We therefore attach PCKO drawing 1213\_WD\_011 Phasing Plan indicating the area of the scheme this current condition applies to.

Yours sincerely

Philip Harvey  
For and on behalf of PCKO Limited
