2017/4208/P	Kamila Williamson	21A Plympton Road London NW6 7EH	17/09/2017 12:06:49	OBJLETT ER	On behalf of local Brondesbury Residents Association (BRAT) we object to the proposed expansion. The pavement outside the shop is narrow and already very cluttered in an extremely busy pedestrian area. It is unconcivable to restrict this even further. It is right next to the Overground station and it is very congested. People with lesser mobility abilities and in wheelchairs are often unable to pass. To restrict width of the pavement or put extra obstacles in their path is not advisable. There is no infrastructure suitable to accommodate proposed changes.
