2017/4902/P	Janice Lough	95 Redington Road NW3 7RR	16/09/2017 08:43:09	OBJ	Dear sirs I object to the extension of the basement. The area has a mix of sandy shingle soil and clay, with many underground streams and is unsuited to the number of basements. Water displaced from the excavation will impact on nearby gardens and buildings. Thank you.
