

Door Schedule

Date: 19.09.17  
Site: 5 Great James Street  
Project: 177  
Revision: A

Door Number	Location	Original or of Historic Interest	Description of Existing Door	Leading Architrave	Existing Ironmongery	Photo Reference	Proposed Alterations	In resistance	Ironmongery	Drawing Reference
DR 01	Ground floor front door	Y	Solid 6 panel painted timber door	Leading historic. Painted.	Brass letter box. Euro cylinder lock. Usual mortice lock.	177-AD7-17081B-Door Photo Reference 01	Existing door to be maintained and restored. Carefully remove existing paint finishes. Reinstall mortice locks to be removed. Refit and sand to smooth. Door to be redecorated with paint to match the existing.	N/A	External door furniture to be maintained as existing. New 2 ball bearing hinges in size to match existing in polished brass.	77-01
DR 02	Ground floor front door	Y	Solid 6 panel painted timber door	Leading historic. Painted.	Brass letter plate. Chrome euro cylinder lock. Usual mortice lock. Chrome pull handle.	177-AD7-17081B-Door Photo Reference 02	Existing door to be maintained. See resistance imposed and door restored. Carefully remove existing paint finishes. Infernorescent smoke seal rebated into door edge. Door decorated in water based infernorescent protection. Architraves maintained and redecorated.	FDS30	Full new ironmongery. 1 Ball bearing hinges in polished brass. Sungorfille night latch in polished brass. Sungorfille mortice deadlock with internal thumb turn release in polished brass. SD30mm multiroom profile centre door knob in polished brass. New letter plate in polished brass size to match existing.	177-02
DR 03	Ground floor under stairs to basement	N	Painted timber and 4 glass panel door with metal reinforcement mesh behind.	Non-historic square profile.	Brass euro cylinder lock. Usual mortice lock. Brass pull handle.	177-AD7-17081B-Door Photo Reference 03	Replace door with new 4 panel solid painted timber door. To be fully FDS30. New architrave in style to match DR 02	FDS30	Full new ironmongery. 1 Ball bearing hinges in polished brass. Sungorfille night latch in polished brass. Sungorfille mortice deadlock with internal thumb turn release in polished brass. SD30mm mortice door knob in polished brass.	177-03
DR 04	Ground floor half entrance	N	Painted timber solid blank door.	Non-historic square profile.	Chrome euro cylinder lock. Two unused mortice with chrome rectangular knockdowns. Brass pull handle.	177-AD7-17081B-Door Photo Reference 04	Replace door with new 4 panel solid painted timber door. To be fully FDS30. New architrave in style to match DR 02	FDS30	Full new ironmongery. 1 Ball bearing hinges in polished brass. Sungorfille night latch in polished brass. Sungorfille mortice deadlock with internal thumb turn release in polished brass. SD30mm mortice door knob in polished brass.	177-04
DR 05	Ground floor half landing	Y	Painted 4 panel timber door Non-original tongue and groove matchboard partition wall above.	Historic. Painted decorative profile.	Painted over euro cylinder lock and painted handle. Brass colour combination lock.	177-AD7-17081B-Door Photo Reference 05	Existing door to be maintained. See resistance imposed and door restored. Carefully remove existing paint finishes. Infernorescent smoke seal rebated into door edge. Door decorated in water based infernorescent protection. Architraves maintained and redecorated. Architraves restored in style to match DR 02	FDS30	Full new ironmongery. 1 Ball bearing hinges in polished brass. SD30mm mortice door knob in polished brass. Thumb turn bathroom lock in polished brass with external release	177-05
DR 11	1st floor landing	Y	Solid 6 panel painted timber door sealed shut.	Leading historic. Painted.	No visible ironmongery	177-AD7-17081B-Door Photo Reference 06	Existing door to be maintained and see resistance imposed. Carefully remove existing paint finishes. Existing non-original timber panel covering internal door reveal to be removed. New internal self supporting timber stud wall to be introduced with plasterboard and skim match flush to panel wall. External leaf of door to be decorated in water based infernorescent paint	N/A	N/A	177-07
DR 12	1st floor landing	Y	Solid 6 panel painted timber door	Leading historic. Painted.	Brass euro cylinder lock. Usual mortice lock. Brass door knob.	177-AD7-17081B-Door Photo Reference 07	Existing door to be maintained. See resistance imposed and door restored. Carefully remove existing paint finishes. Infernorescent smoke seal rebated into door edge. Door decorated in water based infernorescent protection. Architraves maintained and redecorated.	FDS30	Full new ironmongery. 1 Ball bearing hinges in polished brass. Sungorfille night latch in polished brass. Sungorfille mortice deadlock with internal thumb turn release in polished brass. SD30mm multiroom profile centre door knob in polished brass.	177-08
DR 21	Second floor landing	N	Light weight 6 panel painted timber door Suspected asbestos panel to rear side. Single glazed 5 panel east transom window above.	None	Chrome euro cylinder lock. Brass knob. Brass letter plate.	177-AD7-17081B-Door Photo Reference 08	Door to be replaced with new 6 panel solid painted timber FDS30. To be installed in style to match DR 02. New painted architrave.	FDS30	Full new ironmongery. 1 Ball bearing hinges in polished brass. Sungorfille night latch in polished brass. Sungorfille mortice deadlock with internal thumb turn release in polished brass. SD30mm multiroom profile centre door knob in polished brass.	177-09
DR 22	Second floor landing	N	Light weight 6 panel painted timber door Suspected asbestos panel to rear side. Single glazed 5 panel east transom window above.	None	Chrome euro cylinder lock. Brass knob. Brass letter plate.	177-AD7-17081B-Door Photo Reference 09	Door to be replaced with new 6 panel solid painted timber FDS30. To be installed in style to match DR 02. New painted architrave.	FDS30	Full new ironmongery. 1 Ball bearing hinges in polished brass. Sungorfille night latch in polished brass. Sungorfille mortice deadlock with internal thumb turn release in polished brass. SD30mm multiroom profile centre door knob in polished brass.	177-10
DR 23	Second Floor Hall Cupboard	N	Solid painted timber 4 panel door	Non-historic square profile.	Steel door knob and hinges	177-AD7-17081B-Door Photo Reference 11	Replace door with new 4 panel solid painted timber door. To be fully FDS30. New architrave in style to match DR 02	FDS30	Full new ironmongery. 1 Ball bearing hinges in polished brass. SD30mm mortice door knob in polished brass.	177-11
DR 31	Third Floor Bedroom 02	N	Solid painted timber 2 panel door	Non-historic square profile.	Steel door knob and hinges	177-AD7-17081B-Door Photo Reference 10	Replace door with new 4 panel solid painted timber door. To be fully FDS30. New architrave in style to match DR 02	FDS30	Full new ironmongery. 1 Ball bearing hinges in polished brass. SD30mm mortice door knob in polished brass.	177-12
DR 32	Third Floor Bedroom 01	N	Solid painted timber 4 panel door	Non-historic square profile.	Steel door knob and hinges	177-AD7-17081B-Door Photo Reference 11	Replace door with new 4 panel solid painted timber door. To be fully FDS30. New architrave in style to match DR 02	FDS30	Full new ironmongery. 1 Ball bearing hinges in polished brass. SD30mm mortice door knob in polished brass.	177-13
DR 33	Third Floor Landing room	N	Solid painted timber 4 panel door	Non-historic square profile.	Steel door knob and hinges	177-AD7-17081B-Door Photo Reference 12	Replace door with new 4 panel solid painted timber door. To be fully FDS30. New architrave in style to match DR 02	FDS30	Full new ironmongery. 1 Ball bearing hinges in polished brass. SD30mm mortice door knob in polished brass.	177-14
DR 34	Third Floor Bedroom 02	N	Solid painted timber 2 panel door	Non-historic square profile.	Steel door knob and hinges	177-AD7-17081B-Door Photo Reference 13	Replace door with new 4 panel solid painted timber door. To be fully FDS30. New architrave in style to match DR 02	FDS30	Full new ironmongery. 1 Ball bearing hinges in polished brass. SD30mm mortice door knob in polished brass.	177-15
DR 35	Third Floor Landing room	N	Light weight painted timber 4 panel door	Non-historic square profile.	Steel door knob and hinges	177-AD7-17081B-Door Photo Reference 14	Replace door with new 4 panel solid painted timber door. To be fully FDS30. New architrave in style to match DR 02	FDS30	Full new ironmongery. 1 Ball bearing hinges in polished brass. SD30mm mortice door knob in polished brass.	177-16
DR 36	Third Floor Bathroom	N	Light weight painted timber 4 panel door	Non-historic square profile.	Steel door knob and hinges	177-AD7-17081B-Door Photo Reference 15	Replace door with new 4 panel solid painted timber door. To be fully FDS30. New architrave in style to match DR 02	FDS30	Full new ironmongery. 1 Ball bearing hinges in polished brass. SD30mm mortice door knob in polished brass. Thumb turn bathroom lock in polished brass with external release	177-17
DR 37	Third Floor WC	N	Light weight painted timber 4 panel door	Non-historic square profile.	Steel door knob and hinges	177-AD7-17081B-Door Photo Reference 16	Replace door with new 4 panel solid painted timber door. To be fully FDS30. New architrave in style to match DR 02	FDS30	Full new ironmongery. 1 Ball bearing hinges in polished brass. SD30mm mortice door knob in polished brass. Thumb turn bathroom lock in polished brass with external release	177-18
