2017/3626/P	Hampstead CAAC	c/o Flat 6 4 Ferncroft Avenue NW3 7PH	20/09/2017 16:32:22	OBJ	The building proposed is incongruous with the listed buildings surrounding it. It is also harmful to the residents of the adjoining flats, closing off an open area requiring difficult re-arrangement of bins management bikes etc. HCAAC objects to the architecture of the proposed building, which causes harm to the Conservation Area as an unwelcome addition to the townscape as designed, devoid of any character. HCAAC additionally objects to the proposed demolition of the historic wall and notes that the proposed timber panelling will not wear well.
